## Outpatient Mental Health Services

Outpatient Individual - Client and/or Family Psychotherapy (Insurance can be billed if criteria met for DSM V diagnosis of a use disorder)	\$150.00/hour
Outpatient Group Therapy (Insurance can be billed if criteria met for DSM V diagnosis of a use disorder)	\$30.00/hour
Targeted Case Management for individuals with a substance use disorder, for individuals with a severe mental illness, or for children with a severe emotional disability	Medicaid will cover cost; private insurance will not pay
Targeted Case Management for individuals with a substance use disorder, OR mental health disorder AND a chronic/complex physical health issue	Medicaid will cover cost; private insurance will not pay

All Medicaid MCO's accepted. Most private insurances accepted. Rates are negotiated to amounts contracted with each specific insurance company. Eligibility and policy coverage can be reviewed prior to service provision for specific coverage terms. Income-based sliding scale available for persons with no insurance coverage for individual substance abuse treatment (does not apply to assessments, groups, or Prime for Life). Medicaid recipients may have a \$3 co-pay. Private insurance subject to deductibles, co-insurance and/or co-pays of the individual policy.
